

You may select any item(s) to apply to your donation. In the event the item you selected is no longer available, you will be contacted to make another selection. Preference will be given to all families and individuals who pledged to the initial Capital Campaign or to the P.L.U.S. Campaign. If you do not wish to specify an item, your gift will be applied toward those items most needed for the completion of the new facility.

To meet the construction schedule, including the commissioning of the artwork, payment in full or a 25% deposit is due upon selection, with the balance paid monthly, in eight quarterly payments, or by arrangement.
